

Dear Parents,

In an effort to continue to provide parents with resources to better support their student academically, Clear Creek ISD is pleased to launch the learning management system, "itslearning".

This online parent resource allows you to view your student's course plans, lists of assignments, as well as available resources and much more. While your current Skyward Family Access account allows you to view your student's grades, itslearning offers parents a deeper view into classroom content and student progress.

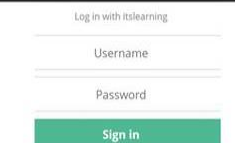

Additional information is available at <http://clearcreek.itslearning.com> including an overview of this parent resource, frequently asked questions and an e-mail address for additional support.

Instructions for Initial itslearning Account Activation:

- Your itslearning parent account username is the same as your Skyward username.
- To set your itslearning parent account password the first time, click the [Password Reset](#) link.
- Enter your email address as listed in Skyward Family Access and click Send Request.
- You will receive an email from no-reply@itslearning.com. Click the link in the email to reset the password. *Be sure to check Spam, Junk Mail, Clutter, or email settings if you are not receiving the email.
- Complete your preferences on the Welcome Screen and click Save.
- You will then be logged in to the itslearning Parent Portal.

Instructions for Accessing itslearning After Initial Activation:

<p>1. Visit www.ccisd.net and click @Home.</p>	
<p>2. Choose the itslearning option on the bottom.</p>	
<p>3. Visit clearcreek.itslearning.com. Click "Log in with itslearning".</p>	

<p>4. Enter username and password and click Sign in.</p>	
<p>5. Click either your child's name at the top of the page (or Your children if you have more than one student) to access their academic information.</p>	

For additional support, please email itslearningsupport@ccisd.net. Please include your child's name and campus.

Thank you,

CCISD Instructional Technology
